

KC FREE LAPTOP APPLICATION

Thank you for Applying

The Kent County Local Management Board (LMB), has partnered with Minary’s Dream Alliance, Upper Shore Aging, Kent County Public Library, Kent County Local Care Team, Kent County Health Department and Kent County Department of Social Services to launch the KC Free Laptop Program.

This initiative aims to promote digital equity and inclusion by providing 500 Chromebook laptops to eligible households in Kent County. The program seeks to address barriers faced by households with limited financial resources.

To be eligible households must have an income at or below 200% of the Federal Poverty Guidelines. Households that qualify can only receive one device per address. The device does not include internet. We are available to help you enroll in the [Affordable Connectivity program](#) for internet in your home. If you are eligible for a laptop you are eligible for the affordable connectivity program.
