

Stewart Seitz

Stewart R. Seitz, F.A.C.H.E., is an accomplished healthcare executive with over 30 years of experience in all aspects of healthcare management, demonstrating expertise in leading and managing complex healthcare organizations. He has a strong record of strategic positioning to capitalize on market trends and opportunities, with a focus on increasing market share in key service and product lines.

Stewart is respected for his management skills, integrity, and ability to foster robust organizational cultures. Currently serving as Founder/CEO of Encore Health Management & Advisory Services, LLC, he specializes in consulting for the healthcare and healthcare insurance industries.

Previously, Stewart held significant roles such as Site Executive at UM Shore Medical Center and President of The Gladys Spellman Specialty Hospital within Dimensions Healthcare System. His tenure saw remarkable achievements including financial turnarounds, operational improvements, and enhanced community engagement.

Stewart holds a master's degree in Health Care Planning, Policy, and Administration from New York University, and a Bachelor's of Science with a dual major focus in Business / Industrial and Organizational Psychology from State University of New York where he graduated Magna Cum Laude. Among other academic credentials, Stewart is a Fellow of the American College of Healthcare Executives. Additionally, he is actively involved in professional associations and serves on various boards, demonstrating his commitment to advancing healthcare excellence.
