Service Requested: Water _____ Sewer _____

Contractor/Plumber: _____

License No.: _____

Address: _____

Telephone: _____

The Contractor shall notify the Kent County Division of Water and Wastewater Services office **48 Hours** prior to any digging. This prior notice is needed to schedule an inspector to be at the job site.

The Owner will be responsible for the installation of any water or sewer appurtenances necessary for service to the property, for obtaining all necessary permits, and for the payment to the Commissioners of all associated inspection fees. The Owner shall guarantee the construction for a period of two (2) years from final acceptance by the Division.

I hereby request the Kent County Division of Water and Wastewater Services to supply water and/or sewer services. In consideration of the granting of said service I (we) agree to (1) use and pay for such services supplied hereunder at the rates provided for by the Kent County Division of Water and Wastewater Services Ordinance, or any amendments thereto, (2) comply with and abide by all rules and regulations for the breakage or leakage of water pipes from the meter to the building, and (3) take every reasonable precaution to prevent damage to meter, or theft or the unlawful removal of the same by anyone.

Make checks payable to: The County Commissioners of Kent County
